Weekly News Week 10

Hello,

Spelling Week 10 – Revision

This week we are tricky words that were previously taught throughout the year. The children will bring a spelling list home with words that are frequently misspelt in their writing. Please get your child to practise these words at home throughout the week. We will be doing activities based around these words during the week but there will be no test on Friday.

Maths

This week in maths we will be revising the concepts taught during the term. We will also continue to focus on general knowledge of mathematical facts, e.g. how many in a dozen? How many days in a week? How many months in a year? etc. We encourage you to revise these facts with your children at home regularly.

Sporting/Footy Colours Day

On Monday the 25th September please come to school in your normal school uniform. Once at school you can add your sporting colours. Please take them off prior to leaving school. Please bring a gold coin donation if you wear sporting colours.

Parent Teacher Interviews.

This term interviews are not compulsory. If we have any concerns we will contact you for an interview. Please check your child's diary to see if we have requested an interview with you. If we deem an interview is unnecessary but you still wish to meet to discuss any concerns about your child's learning you are welcome to make an interview via the family Portal Link and choose from the times available.

Premiers Be Active Challenge

If your child has participated in the 'Premiers Be Active' challenge, please complete on the 'record' sheet that was provided and return to school next week.

Music is Fun

On Thursday the 28th we are lucky enough to have "Music is Fun" visiting our school. Junior School will be participating and watching this fun filled musical performance.

We would like to take the opportunity to wish you all a happy and safe holiday break. We look forward to seeing you all next term.
