

Weekly News Week 4

Hello,

Spelling

Week 4: a e (the _ indicates a missing consonant - a letter that is not a vowel)

Name - the letter 'e' jumps over the consonant (the letter m) and makes the 'a' turn into a long vowel (AY). The magic 'e' has then done its job and remains silent - you cannot hear it when you pronounce the word.

Tricky words: down & does

Maths

This week in Mathematics children will be learning how to gather data, use tally marks and interpret the data that they have collected.

Morning Routine

We are continuing to encourage children to unpack independently and swap their own readers of a morning. Once they have completed these jobs, children may stay inside and read quietly or alternatively can play outside until the bell goes.

Please note that the bell goes at **8:45am** each day. If your child arrives after the bell, they must sign in at the front office. If your child is late, they are to place their school bag at the front of the classroom and unpack by themselves at a later time, so they do not disrupt the rest of the class. Thank you for your support with this.

Website

Please visit our Junior School website for weekly updates. The weekly newsletter is also uploaded onto the website each week. It is a great opportunity for you to see photos of some of the different activities that we do in our classroom.

Fidget spinners, Beyblades & Toys from home

Recently more and more toys are being brought to school. We are unable to take responsibility for these toys. Many of these toys become lost, stolen or broken. We are then dealing with upset children. We recommend that these special toys remain at home.

Have a lovely week,

Kimberley Helps & Amy Penna.
