Weekly News Week 6

Hello,
Today is National Environment Day. The children were enthusiastic wearing their 'green' colours. The money raised will go towards the school purchasing new recycling bins to assist teaching the children to 'wipe out waste'.

Spelling

Week 6: o e

Hope- the letter e jumps over the consonant (the letter p) and makes the 'o' turn into a long vowel (OH). The magic e has then done its job and remains silent.

Tricky words: right & saw

Due to Friday being a Pupil Free Day, the spelling test will be on Thursday.

Maths

This week in Mathematics children will be exploring place value. We will be breaking down numbers into hundreds, tens and ones. We will continue to work on recognising and recording different patterns.

Assembly

On Tuesday the 13th of June (Week 7) both Year 1 classes will be hosting the JS Hall Assembly. Our Dr Seuss Assembly will commence at 2:25pm in the Hall. We hope you can join us. The children are very excited and will continue rehearsing over the next week. If your child has a reading part in the Assembly, please ensure they are practising every night and reading with expression. Please help them learn any difficult words. Thanks for your support with this.

Excursion

On Thursday the 15th of June (Week 7) both Year 1 classes will be going on an excursion to the Gorge Wildlife Park. Thank you to the parents who have volunteered to join us on the excursion, you will have a small group of children to look after on the day and more information about this will be given closer to the date.

Have a fantastic week.
Kind Regards,
Kimberley Helps & Amy Penna.

Take Note
