## Weekly News Week 8

Hello,

Thankyou so much to the parent helpers who assisted us on our excursion last week. The weather was lovely, the children all had a fantastic time and their behaviour was outstanding.

### Spelling

Week 8 u\_e

Ute - the letter e jumps over the consonant (the letter t) and makes the 'u' turn into a long vowel (YOU). The magic e has then done its job and remains silent.

Tricky words: which and were

### Maths

This week we in Mathematics we will focus on partitioning numbers using hundreds, tens and ones. We will also learning about the names and attributes of 3D shapes

### Assembly

A reminder that our Year 1 Assembly is Tuesday 27th June (Week 9). It begins at 2.25pm in the South Hall. The children have been rehearsing very hard and are very excited to perform for you. We look forward to seeing you there.

### Class Party

The children have worked extremely well this term and have nearly earned all 5 bananas for our class monkey (not real). As a reward for their efforts we will be having a class party on Thursday 29th June. Could all children please bring in a plate of food for this occasion. To ensure we have a balance of foods, can the girls please bring a plate of savoury food and the boys please bring a plate of sweet food. Please make sure any Tupperware containers, plates etc are clearly labelled with your child's name on it to avoid any confusion. Also, I will not have access to an oven so please do not send anything that requires cooking/reheating. As this will be a shared lunch children will not need to bring a separate lunch unless of course you want them to. If your child has allergies please come and see me prior to the day.

Have a lovely week.

Kind Regards,  
Kimberley Helps & Amy Penna.

## Take Note

### Week 9

#### Tuesday 27th June

Our Year 1 Dr Seuss Assembly. Starting at 2.25pm in the Hall. All parents are invited to attend.

#### Thursday 29th June

Class Party

#### Friday 30th June

Last day of Term 2.

### Sharing Topic this week

Bring in your favourite recipe and tell us the procedure of how to make it. You're welcome to bring in the food for us to sample.
