Weekly News Week 8

Hello,
Thank you to all those who contributed to the Anglicare Food Drive. Your help is very much appreciated.

Spelling Week 8 - ow

Ow can be made as ou or ow. This week we are focusing on the ow spelling. Ow is commonly used in the middle or at the end of a word.

Examples: town, cow.

This weeks tricky words are; 'after' and 'upon'

Maths

This week we are looking at Statistics and Probability. Children will be interpreting and explaining collected information and then using this data to generate simple graphs and tallies. Children will also be looking at making 'groups of' items and this will lead into early multiplication.

Parent Teacher Interviews.

This term interviews are not compulsory. If we have any concerns we will contact you for an interview. If, however, you do still wish to meet to discuss any questions or concerns about your child's learning you are welcome to make an interview time once the Parent Portal Link is open.

Premiers Be Active Challenge

We are encouraging all the Junior School students to complete the Premiers Be Active Challenge. Similar to the Premiers Reading Challenge, the students will log their physical activity on the record sheet they received in Week 5 in their Printed Notes Book. If they complete the challenge they will be awarded a medal.

Have a wonderful week,

Kimberley Helps & Amy Penna.
