Weekly News Week 9

Hello,

We are extremely proud of the children's behaviour and performance at the South Junior School Christmas Concert on Friday night. I'm sure you'll agree that it was a lovely evening celebrating the Christmas Spirit.

Spelling

Due to a short and very busy week, there will be no spelling sound taught this week.

Maths – Revision

This week in Maths we will be revisiting some mathematical concepts that have been taught throughout the term.

Class Reward - Class Christmas Party

To celebrate a wonderful year together, we will be having a class party on Tuesday 12th December. We ask that you please bring in a plate of food to share with the class. To ensure there is a variety of foods we encourage ;

Boys – savoury foods , Girls - sweet foods.

Please ensure that all plates, containers etc. are clearly labelled with your child's name. Also please note that we do not have access to facilities to reheat food.

Reports

Reports are now finalised. Please remember that a 'C' grade indicates that your child has reached the standard that is expected of them, as set out in the Australian National Curriculum. The 'C' grade demonstrates that your child has an appropriate understanding of the topics taught this term.

Student Work Books

We will send home the rest of the children's workbooks this week. Please note that we will also be sending home headphones and art smocks which will allow you to wash/replace them, etc. ready for next year. Also please note that we will be handing your child's Written Language Book to next year's teacher. They will hand them out to your child at the beginning of next year.

Thank you

We would like to take this opportunity to say a giant thank you for your support over the school year and wish you and your families a very merry Christmas and a safe and happy New Year.

With Christmas cheer, Kimberley Helps & Amy Penna.
